

Magic Carpet Donation

Donna Day, Play Therapist on Willow ward was thrilled to receive a donation from Asda Greenhithe for the splendid amount of £4,127.13. The money being raised from raffles, tombola's bucket collections and a quiz night.

Bridget along with Steve Milton, Asda Service Manager, said they were delighted they could help towards raising the £8,000 needed for this very special piece of sensory equipment. Sister Clare Jones explained how valuable this piece of equipment will be in a variety of ways; helping to calm children who are upset, distract children who need to undergo unpleasant procedures as well as an aid to help rehabilitation.

Two year old Ben Banks, pictured with his mum Patricia, would be one of our young patients who would benefit from this piece of equipment.
