

Toy Sale

The 2nd hand toy sale held on 2nd March raised a magnificent £831. The money is going towards the purchase of a magic carpet for our young patients. The carpet enables children to engage with games and images simply by moving on or over the projected surface. The system encourages children to interact and teaches in a fun and intuitive way.

Donna Day, Play Team Specialist said "On behalf of Willow Ward I would like to say a huge thank you to everyone who donated and

purchased toys. This could not happen without all of your generosity.

If you have any good condition toys that you would like to donate towards future sales, we are very happy to accept them. Simply pop them along to Willow Ward or leave them at the main reception desk (asking them to call the Willow Ward Play Team Specialists) and we will collect them.

Thank you all once again and don't forget to look out for our next sale later in the year."
