

Cakes Sell Out in 20 Minutes

The Special Care Baby Unit (SCBU) Easter Cake sale held on 22nd March raised a wonderful £152.85 for our Little Buds Fund. There were over 300 specially decorated cakes on sale, baked by staff and their families. The sales proved extremely popular and all of the cakes sold out within 20 minutes.

Lorraine Head, Ward Administrator said *“Our SCBU would like to thank all those who purchased cakes and those who made them. There really was a wonderful display, which proved more popular than expected. We are sorry if you didn't manage to purchase any, but please look out for our future cake sales later in the year. “*
