

"You Can't Beat Rosewood"

On Friday 6th May Tom Brooks aged 16 went along to Rosewood Ward to view the items he had helped purchase due to his fundraising for the Cancer Fighting Fund. Rosewood ward are now the proud owners of a brand new bladder scanner and six Dyson fans thanks to Tom and another family. In September, Tom Books and his uncle Kev completed the 54 mile London to Brighton cycle from Clapham Common to Brighton raising over £1,200. Tom decided to fund raise for Rosewood ward because his Dad Pete had been a patient on the ward in January 2015 and was so well cared for prior to his death.

Ward they are the best! I am so pleased that the money I raised on the cycle ride went towards the purchase of a bladder scanner and fans for Rosewood Ward. I hope that these will help the patients on the ward. I will be taking part in the cycle ride again on the 11th September 2016 and hope to raise even more money for the ward that looked after my dad so well. "
