

# Taking to the Skies for the Magic Carpet

Jack Stobart's a student from Longfield Academy and a Customer Service Assistant for Sainsbury's Pepperhill, wanted to do something different and positive to mark turning 18. So after a discussion with Clare, a colleague at Sainsbury's he decided to raise money for Willow Ward by doing a skydive! All of the money Jack raises is going towards the purchase of a Magic Carpet for poorly children.

Jack's skydive took place on Sunday 1st May and to date he has raised nearly

£2000. He is currently still collecting via a bucket in the store and also on his Justgiving page: <https://www.justgiving.com/fundraising/jackstobart>

We would like to wish Jack a very Happy 18th Birthday and thank him for choosing his local hospital when raising this money. We think he is very brave jumping out of a plane and what a wonderful way to mark your 18th Birthday!
