

Dementia Awareness Week Raffle Drawn

On the 20th May Ebony Ward patient Marion Brown age 84 from Istead Rise drew the winner tickets for the dementia awareness week raffle. The raffle raised a wonderful £114 which is going towards the Silver Birch fund. This fund is dedicated to our elderly patients and helps with things such as when patients arrive at hospital with no belongs.

First prize, a hamper full of goodies was kindly donated by Work Perk followed by 2nd prize which was a bottle of drink.

The winning tickets were pink 28, won by Vicky and second prize, yellow 10 won by Lara.

Polly Hird, Matron said *"thank you to everyone who purchased a ticket, all of the money raised is going towards such a worthy cause. Dementia Awareness Week has been very successful and I would also like to thank everyone who made this possible"*.
