

Barbara Cruttenden Fundraiser

Garden Party held on the 24th May raises £1,600 for the DVH Cancer Fighting Fund. Every year for the past 6 years Barbara Cruttenden from Princes Road, Dartford has organised a Garden Party in memory of her sister Janet, in support of our 'Stride4Life' event benefiting the Cancer Fighting Fund.

Joan Warwick said of Barbara "She is such a lovely lady and works so hard, she provides all the food and drink herself, making and freezing cakes for

weeks before the event. With the help of a few friends sandwiches, rolls and salads are prepared on the day making a lovely spread. Her home is open to everyone; there is no charge just a donation box and it is amazing how generous people are. This year the Garden Party raised over £1,600 from donations and a raffle. This brings the total amount Barbara has raised to over £6,000."
