

Duffy Siblings Raise Money for SCBU Who Cared for their Sisters

On Saturday 17th September 2016, Bobby, Lily and Harry Duffy took part in a Tough Mudder Challenge to raise money for our Special Care Baby Unit (SCBU) / Little Buds Fund. The SCBU looked after their twin sisters Ruby and Lottie who were born on the 8th February, 8 weeks early. Unfortunately both twins were very poorly and the staff worked tirelessly to ensure they both made a good recovery. Although at times it was touch and go, eventually both Ruby and Lottie were well enough to go home to their family and join their older siblings.

“The nurses always smiled and did a really good job looking after our sisters,

they always made Mummy (Emma) and Daddy (Ben) feel better. We want to say thank you for making sure that our baby sisters came home and we want to raise as much as we can. We had an amazing day at the Tough Mudder even though it was very muddy. We are hoping to do it all again next year. Thank you, Bobby, Lily & Harry. Xxx”
