

## Youens Family Raise Money For Cancer Fighting Fund

On Saturday 3rd September 2016 Leighton and Lucy Youens of Gravesend hosted a Charity BBQ and Auction to raise money for our Cancer Fighting Fund. The afternoon was very successful ending with Leighton having his hair shaved off for the charity!

The reason for this event was that Leighton's mum Karen and Lucy's dad Rowan are both currently fighting cancer and receiving their care at the hospital. The family are so pleased with the treatment that Karen and Rowan are receiving, that they wanted to give something back.

To date the event has raised a wonderful £1700, with donations still being received.

Our thanks to Leighton and Lucy, their family and friends and also the local business which supported the event: Utopia Beauty Rooms Gravesend, The Knowle Country House Higham, The Eatery Tea Rooms Echo Square Gravesend, Bill the Gardener, Mateys for donation of the Bouncy Castle, R Danslow Butchers Gravesend, London Golf Company and The Cleaning Circle.
