

Cancer Coffee Morning Huge Success

The Cancer Services Department held a coffee morning in the hospital's main foyer on Friday 30th September to raise money for both our Cancer Fighting Fund and Macmillan Cancer Support.

There were lots of delicious cakes, some donated by Marks and Spencer and others made by staff, family and friends. All of the teas and coffees were kindly donated by Carillion and the home made jams for sale were made by the secretary of the Prostate Cancer Support Group.

The morning was a great success raising an amazing £783.85 which will be split between both charities.

Thank you to everyone who donated and / or purchased cakes.
