

Bailey Raises Money in Memory of his Sister

Bailey and Craig Bertram

Little Bailey Bertram, aged 3 has raised a whopping £515 for the Little Buds Fund in memory of his sister Hallie who was born still 5 years ago. Bailey and his dad Craig completed the 5k run at Maidstone Mote Park in just 47 minutes.

Craig said "Finishing in 47 minutes is not too shabby for carrying a 3 year old on your shoulders for 3 miles. Bailey was the youngest 'runner' to take part and got a special shout out from the MC across the finish line and by far the biggest cheer of the day from his supporters.

Our family were so comforted by the amazing care and support received from the Darent Valley Hospital midwifery team at such a sad time for us, that we wanted to give something back. "

The Trust's Fundraising Manager said "Our special thanks go to Bailey and the Bertram family for raising this wonderful amount of money and congratulations on being the youngest person to "run"!
